

Riverview Produce Farms Food Basket - CSA

Thanks for showing an interest in our 2020 CSA (Community Supported Agriculture) veggie basket program.

We are Riverview Produce Farms, owned by Doug and Evelyn Hurlbert in Canaan, Yarmouth county. We have 50 years of market garden and farming experience and are well known in the Yarmouth community for good quality vegetables and soft fruits.

Riverview Produce Farms is committed to providing you with produce that is not genetically modified and is grown locally using conventional farming methods.

Riverview Produce Farms has been supplying vegetables and soft fruits as part of a small informal co-operative formed in 2011. We will continue to work with other market gardeners that grow vegetables with the same philosophy in our community. During the season you will receive vegetables from BullyGoth Farm, St. Isidore Farm, and others.

This year we are offering the Seasonal Family Share. This is just right for a family of two to three people. If your family is larger, or if you just like a lot of vegetables, you can double or triple the shares you wish to receive each week. If you have any other special needs or requests, please let us know.

Each week, the Seasonal Family Share delivers delicious fresh vegetables, harvested at their best, for you and your family to enjoy! Please see the full list of what you can expect during the season on the following page.

We also include a weekly email explaining what is in your CSA share each week with recipes and tips on how to use your vegetables, as well as other related announcements.

We hope that you will show your continued support for fresh, healthy, locally grown produce with us this year!

Cheers,

Evelyn and Doug Hurlbert

		Fresh/Dried Mushrooms
		Spaghetti Sauce Helper

Here's what some of our customers are saying about our CSA program:

“What I like most about the veggie boxes is that me and my brother get to open it every week and see what's inside.” - Yousef, age 6

“What I like most about the CSA is the freshness of the vegetables and the nice variety we found throughout the summer. We also enjoyed the fresh mushrooms and dried products - such a treat to have these grown in Yarmouth County.” - Renee

“My favorite part of getting my produce basket? Let me count the ways! First, it was so convenient. I never once stopped to get produce anywhere else. We haven't bought turnips, carrots, parsnips, onions and squash at a store since May. Secondly, we ate more vegetables as we tried different recipes to use the produce. We pickled beets, bottled spaghetti sauce, and even blanched and froze carrots. Thirdly, it was fun! - Charlene

_____ Check here to indicate that you would like to receive a weekly email explaining what is in your CSA share that week, along with recipes and other related announcements.

I understand and accept the inherent risks of farming related to weather, soil conditions and pests, and their potential effect on yields. I recognize that actual harvest amounts vary throughout the season and that Riverview Produce Farms and BullyGoth Farm make no guarantees with respect to the total value delivered over the 2020 season.

Signature: _____

The Seasonal Family Share runs 21 weeks (May 20 – October 7) and is \$545.00. This works out to \$25.00 per week, plus \$20.00 for two food basket containers. You will pick up one container, and the following week bring it back with you and pick up your next container, alternating the containers weekly.

How to register: Please make cheques payable to “Riverview Produce Farms” and deliver them, along with this page of your application to Evelyn or Sacha at the Yarmouth Farmer's Market, or mail them to to: 157 Wilson Rd., RR#1 Tusket, NS, B0W 3M0. We also except etransfers to SachaBegg@yahoo.com.

Select one payment option:

_____ One cheque or etransfer for the whole season - \$545.00 (\$25 per week plus \$20 for food basket containers).

_____ Six cheques or etransfers for the whole season – (\$25 per week plus \$20 for food basket containers.) One initial cheque for May for \$70.00, (\$50.00 +\$20.00 for your food basket containers) and 5 post-dated cheques for June \$100, July \$125.00, August \$100.00, September \$125.00, and October \$25. (This option is for folks who want to participate for the whole season or at least 3 or more months of the season).

_____ Monthly at \$30.00 per week plus \$20.00 for your veggie basket containers (this option is for folks who want to participate for a short season of 1 -2 months only).

Location for pickup:

Wednesdays starting May 20, at Riverview Produce Farms Store, 73 Starrs Rd. (behind the Red Knight), Yarmouth. Pick up between 11:30am to 5:00pm.
