

## Riverview Produce Farms Food Box - CSA

Thanks for showing an interest in our 2021 CSA (Community Supported Agriculture) veggie box program.

We are Riverview Produce Farms, owned by Doug and Evelyn Hurlbert in Canaan, Yarmouth county. We have 50 years of market garden and farming experience and are well known in the Yarmouth community for good quality vegetables and soft fruits.

Riverview Produce Farms is committed to providing you with produce that is not genetically modified and is grown locally using conventional farming methods.

Riverview Produce Farms has been supplying vegetables and soft fruits as part of a small informal co-operative formed in 2011. We will continue to work with other market gardeners that grow vegetables with the same philosophy in our community. During the season you will receive vegetables from BullyGoth Farm, The Little Leaf Company, and others.

This year we have two offerings. The **Seasonal Family Share**, just right for a family of two to three people, and the **Seasonal Single Share** for a smaller portion of weekly veggies. If your family is larger, or if you just like a lot of vegetables, you can double or triple the shares you wish to receive each week. If you have any other special needs or requests, please let us know.

Each week, the Seasonal Family & Single Shares deliver delicious fresh vegetables, harvested at their best, for you and your family to enjoy! Please see the full list of what you can expect during the season in the following pages.

We also include a weekly email explaining what is in your CSA share each week with recipes and tips on how to use your produce, as well as other related announcements.

We hope that you will show your continued support for fresh, healthy, locally grown produce with us this year!

Cheers,

Evelyn and Doug Hurlbert

I understand and accept the inherent risks of farming related to weather, soil conditions and pests, and their potential effect on yields. I recognize that actual harvest amounts vary throughout the season and that Riverview Produce Farms and BullyGoth Farm make no guarantees with respect to the total value delivered over the 2021 season.

**How to register and pay:** Send etransfer and the Application Form to SachaBegg@yahoo.com.

OR

Make cheques payable to “Riverview Produce Farms” and deliver them, along with the Application Form to Evelyn at the Yarmouth Farmer's Market, or mail to: 157 Wilson Rd., RR#1 Tusket, NS, B0W 3M0.

**Location for pickup:**

Wednesdays, starting May 19, at Riverview Produce Farms Store, 73 Starrs Rd. (behind the Red Knight), Yarmouth. Pick up between 11:30am to 5:00pm.

**How it works:**

You will receive Box #1 on your first week of picking up your CSA. The following week, bring back Box #1 and exchange it for Box #2. You will then alternate the containers weekly.

**\*\*If you will be unable to pick up your box/share,** please contact Sacha or Evelyn one week in advance to let us know. We will then co-ordinate a double share for the following week to make up for the missed week.
